**ACKNOWLEDGMENT**

You agree:

- To guarantee your workmanship, and maintain standards in equipment and qualifications.
- To perform repairs for Premium Auto Repairs Management and/or our customers at the agreed trade rate for parts and labour.
- Prior to commencing any work, contact Premium Auto Repairs Management department by phone or email.
- To provide Premium Auto Repairs Management with a detailed written quote with the following information:
  - Repair Order number, odometer reading, registration number and vehicle make and model.
  - Itemised list of failed item/s and cause of failure.
- At times Premium Auto Repairs Management may request that you source and quote for second hand parts.
- No diagnostics/ repairs are to be carried out on a customer's vehicle without receiving prior permission from the customer.
- Premium Auto Repairs Management will not be liable for any repairs unless we issue an Authorisation Number prior to the commencement of the repairs.
- Premium Auto Repairs Management will only pay for an authorised repair upon receipt of an acceptable final invoice. Upon receipt and approval, payment will be dispatched same day or up to 7 working days.
